

NRA High Power Rifle – “Across-The-Course” Firing Stages

The standard NRA high power rifle match as fired at Greenwood Gun Club is listed below. The standard course of fire requires 88 rounds of ammunition to be supplied by the competitor (8 sighting rounds and 80 shots for record).

Greenwood High Power Rifle Division holds these matches on the third Saturday of each month with the exception of August and October.

Current Match Entry Fee Donation is \$10.00 for all competitors. GGC junior rifle team members are allowed free entry.

Registration closes at 7:30 AM and the first shot is scheduled for 8:00AM.
