Scoring:

Targets to be Used: 200 yards- SR; 300 yards – SR3; 600 yards - MR

Electronic Targets will be used

Rifles: No Muzzle Breaks allowed.

Service Rifle - Rules 3.1(a-c)

Ammunition: No bullet with a diameter greater than 308 inch will be allowed. 55 grain .223 is not allowed at 600 yards.

Tracer, incendiaries, armor piercing ammo is not permitted. Ammunition must be safe. Bullets must remain supersonic at the target and the match director will have right to remove the competitor/ammunition from the line if the bullet is not supersonic. Any ammo that repeatedly blows primers or splits cases will be ruled defective or unsafe and the competitor/ammunition will be removed from the firing line. Any competitor that cannot stay on target will removed from the firing line. The match director can remove any competitor from the firing line if he rules the rifle, ammo or competitor is unsafe.

Classifications: Standard CMP High Power Classifications will apply to all competitors. Competitors without CMP Classification will fire in the Master category or may fire with their NRA Classification

Challenge Period: The challenge period ends 2 minutes after Firing Complete.

Match Director: Royce Brown
